# RETORNO SEGUR a la ESCUELA

## **Back to school as a risk:**

- Increase in motorized trips
- Agglomerations in school access

... to lead the  
transformation of  
dangerous  
school zones

A challenge for  
youth activists in  
Mexico ...

Guadalajara

Acapulco

**1. Identify the specific problems in the most risky school zones in different cities of the country.**

**2. Organize tactical urbanism interventions in each of these cities, with young volunteers and the school community.**
